AVAILABLE COURSE DESIGN SERVICES

COURSE REVIEWS

Enhance course design and student engagement with our specialized course reviews. You have two options to choose from:

- Essential Standards Course Review
- College Course Review

COURSE DESIGN FOR PROGRAMS

Get expert instructional design support to create high-quality courses that meet the Quality Matters Standards for excellence.

GROUP WORKSHOPS

Collaborate with faculty in program-focused workshops, where we address course design collaboratively. Currently, workshops cover the following topics:

- Introduction to Quality Matters
- Course Design Concepts

ONE-ON-ONE CONSULTATIONS

Get personalized consultations with our experts to enhance your hybrid and online course designs. Currently, Instructional Designers consult with faculty on the following topics:

- Clear Objectives and Learning Outcomes
- Aligning Course Activities with Learning Outcomes
- Effective Assessment Strategies
- Improving Course Layouts
- Ensuring Accessibility
- Integrating Multimedia

There are no limits to the number of one-on-one consultations; however, they are on a first-come, first-served basis. Instructional design consultations may be scheduled in 30- to 60-minute blocks.

COLLEGE AND COMMUNITY COLLABORATION

We foster positive partnerships by actively collaborating with your college at events like Convocation, Professional Development Week, and other initiatives related to faculty support.
