

Qtips

1. ALL students can benefit from ReadSpeaker TTS solutions.
2. Bi-modal presentation of materials increases retention of content and success rate.
3. Focus tools help learners grasp minute concepts.
4. ReadSpeaker is customizable to each learner and device.

When I read aloud, two senses catch the idea: first, I see what I read; second, I hear it, and therefore I can remember it better.
- Abraham Lincoln

Reflect

1. What do you believe is the biggest roadblock your students are facing in terms of learning content?
2. Do you see the benefit of providing accommodation tools for ALL learners, not just for those with IEPs or 504 plans?
