

# Energize Your Own!

- **Winning brings the adrenaline rush!**
- **Once they win, they will be excited to apply again!**
- **Look for easier options to begin with**

# **What I've Learned from Applying for Federal Grants**

- **It will always come down to the 11th hour**
- **Find your partners/collaborators early**
- **Make sure you know the difference between a letter of support and a letter of collaboration**
- **Always schedule time with a program officer**
- **Watch the webinars**
- **Ask questions**
- **Make sure you are set up with SAM, grants.gov & research.gov**

# **This is a PD session worth having!**

**Let your educators  
and administrators  
write! Start with  
some easier ones. I  
would be happy to  
facilitate!**
