

**YES!**

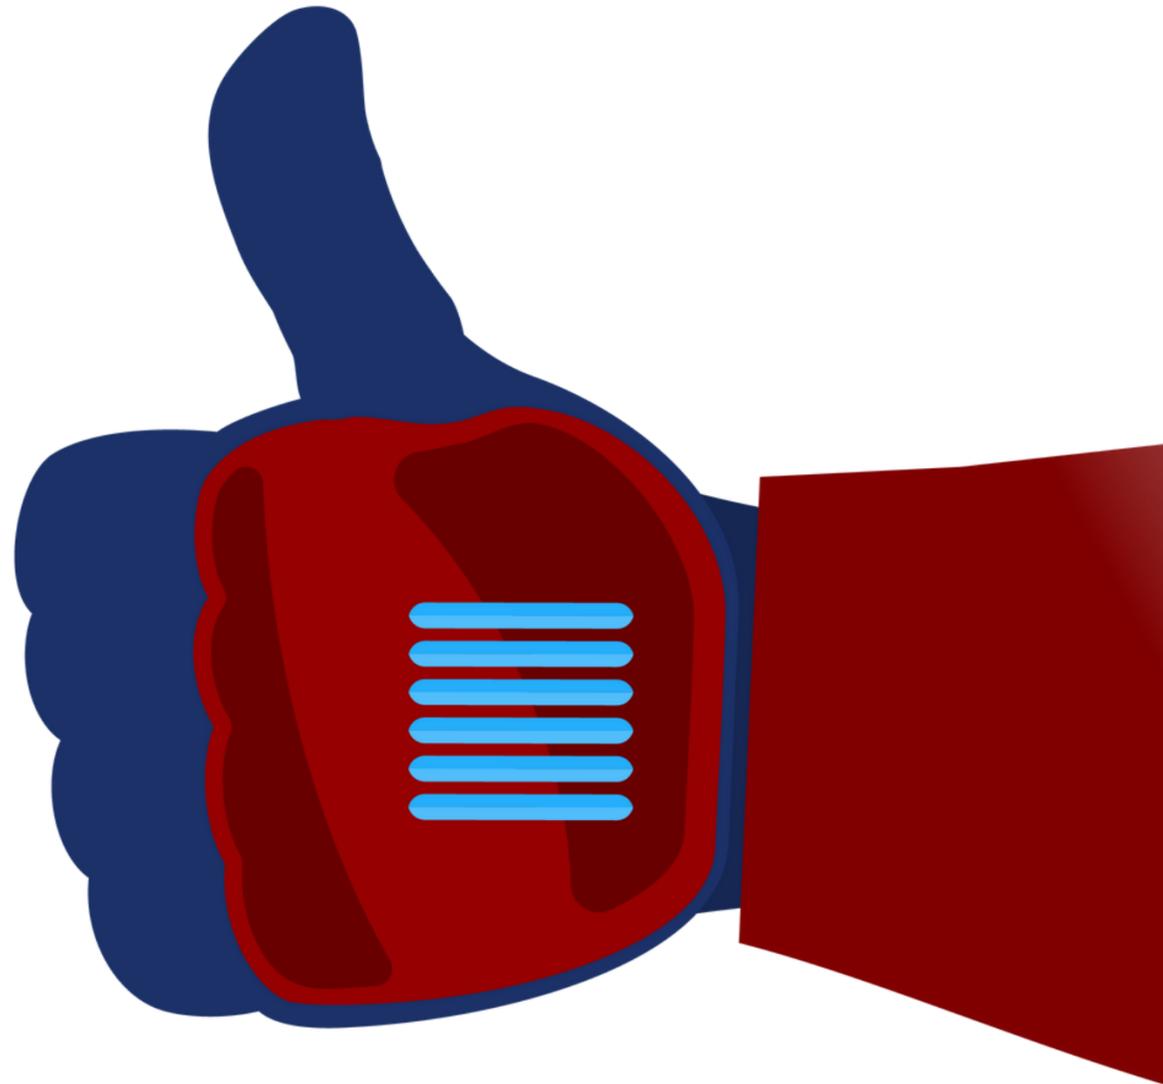

TRANSFORMERS

Can engaging teachers in the QM process help optimize course quality across your organization?

**YES!**

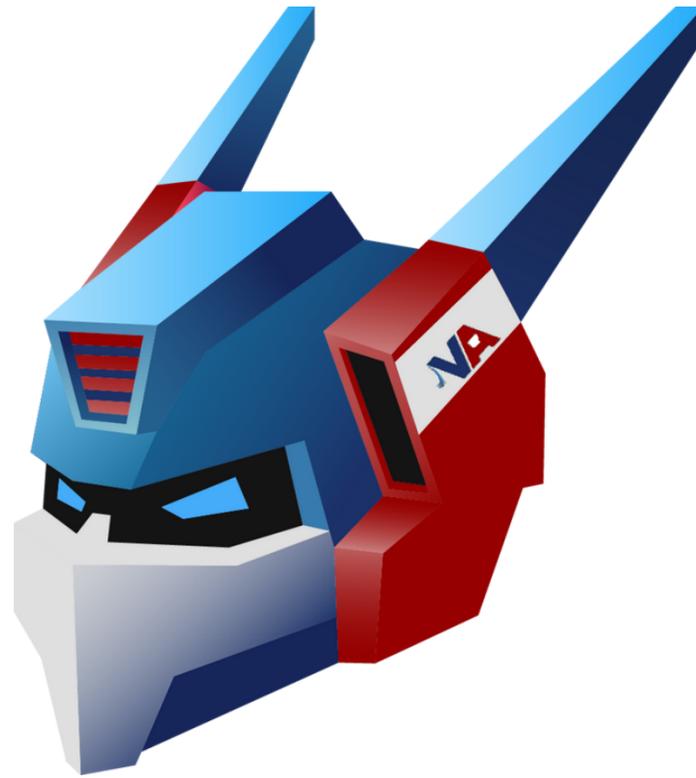

**QUESTION:**

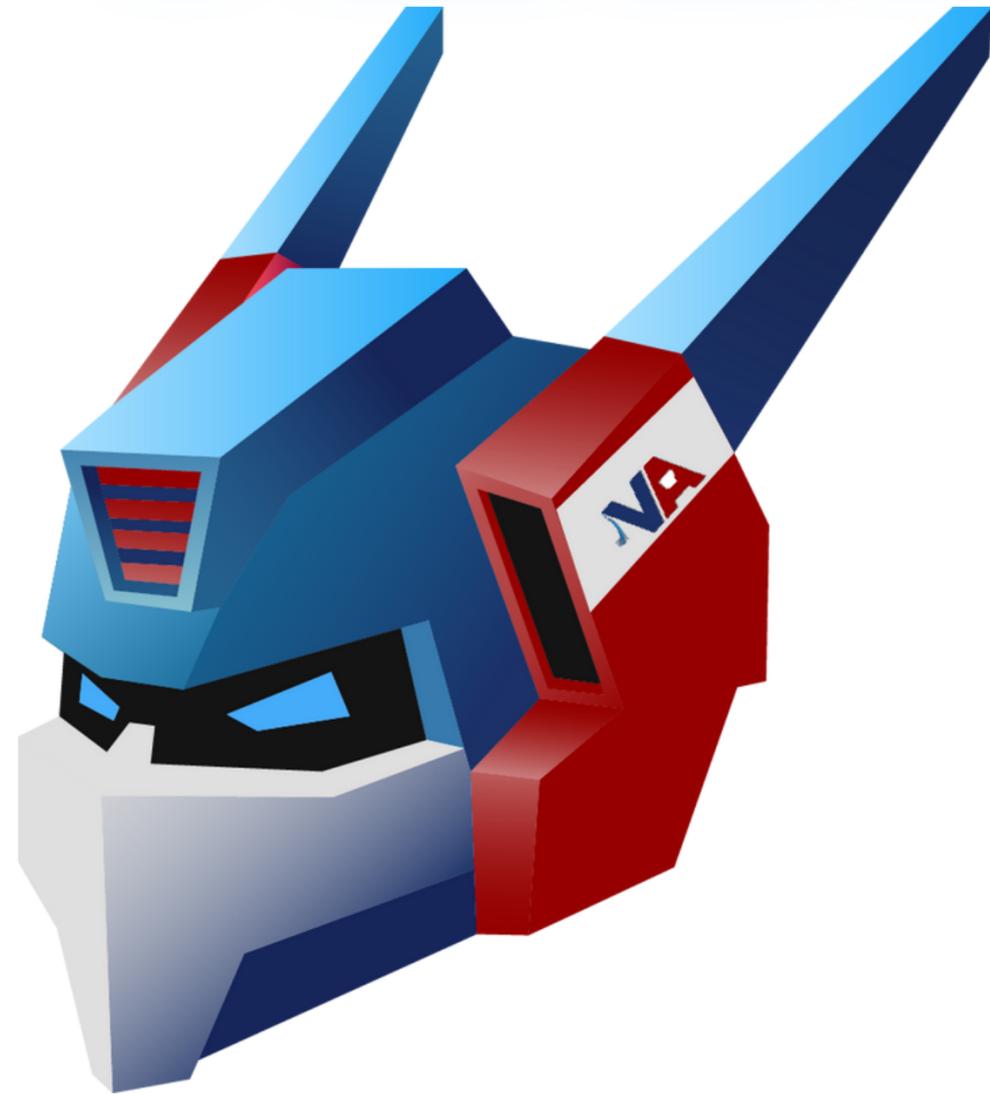

Has serving as a QM Course Representative encouraged you to lean on the QM K-12 Rubric as a true-north for quality for your course and our organization?

Can serving as course  
representatives for the QM Review  
process further prime traits of a  
transformer in your teachers?

**YES!**

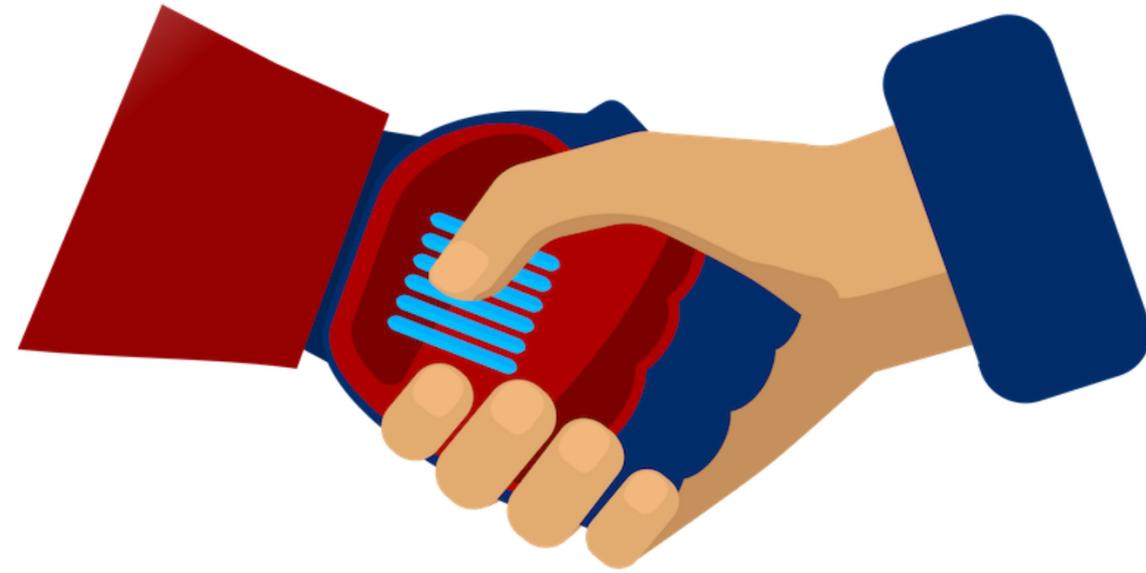

**QUESTION:**

How can serving as a QM Course Representative further the traits of

- \*Working for the good of all
- \*Being flexible
- \*Speaking the language of quality

**How can you support teachers  
serving as QM Course  
Representatives?**
